

Polycom VVX 600

Elite business media phone for the busy executive

101 VOICE
RELIABLE BUSINESS COMMUNICATIONS

Overview

The Polycom VVX 600 is a 16-line premium business phone for the savvy manager or executive. With dynamic features to take your productivity to another level.

Enhanced Call Park allows you to identify the parked caller before picking up, so you can focus on your highest priority items first. And if you want to do a quick, small conference call in your office, the VVX 600 offers HD Voice quality in Speakerphone mode.

With Gigabit speed capability, the VVX 600 can keep up with the advancements in your office and continue providing excellent media quality, including high-definition audio.

And with its vibrant color LCD display - readability is much easier. The modern touch screen interface speeds up user navigation and helps you get much more done, faster.

Key Features

Gigabit Ethernet

Gigabit ethernet gives you more bandwidth, which means better performance, less congestion, and most importantly, less frustration.

Touch Screen Display

The touch screen display makes navigation so much more intuitive. You'll be up and running with this phone in no time.

Color LCD

The color LCD display not only looks amazing, but increases readability and improves user experience.

HD Voice

Get more out of your conversations with HD Voice quality for crisp and clear conversations.

16 SIP Lines

Higher call volume than normal? No problem. It's got 16 lines to easily handle it.
